

## Subject Index to Volume 183 (January-June 1976)

### A

- Abdominal surgery, major, mechanical circulatory assistance with intra-aortic balloon counter-pulsation for, 73
- Abdominal trauma, diagnosis and management of blunt, 672
- Abdominal trauma, vein ligation necessitated by, major hepatic, 243
- Adenoma, benign liver cell, associated with use of oral contraceptive agents, 239
- Adrenergic blockade, effect of alpha and beta, on epinephrine induced pulmonary insufficiency, 369
- Alimentation, parenteral, in man, a syndrome of acute zinc deficiency during total, 331
- Aminoglycosides, use of, in surgical infections, 660
- Ampulla, attempted retrograde cannulation of the, a probable cause of mass in the pancreas, 107
- Ampulla of Vater, carcinoma of the, review of 38 cases with emphasis on treatment and prognostic factors, 341
- Aneurysms, false, of the femoral artery, a challenge in management, 694
  - peripheral vascular anastomotic, a fifteen-year experience, 120
- Annulo-aortic ectasia, a controlled surgical approach to, 174
- Antibiotics, in acute pancreatitis, a prospective study to determine the efficacy of, 667
- Antiseptic(s), topical, in vivo penetration of, through eschar of burn patients, 358
- Anuria, acute, secondary to renal artery stenosis, 293
- Aorta, coarctation of the, studies of plasma renin activity in, 229
- Aortic dissection, ascending vs descending, 296
- Aortofemoral reconstruction, pedal vasomotor tone following, a randomized study of concomitant lumbar sympathectomy, 136
- Appendix, primary carcinoma of the, 53
- Arterial injuries, civilian, 13
  - peripheral, a reassessment, 701
- Arterial substitution, successful, with modified human umbilical vein, 252
- Arteriovenous shunts, femoral, for vascular access, high-output congestive failure from, 321
- Artery, femoral, false aneurysms of the, a challenge in management, 694
- Arteriosclerosis, induced, prevention of, by diversion of bile or blockade of intestinal lymphatics in dogs, 409

- Autografts, femoral vein, effects of implanted Doppler flowmeters on, 307
  - venous, historical aspects in the development of, 101

### B

- Bile duct, common, spontaneous rupture of the, 433
- Biliary obstructions, sphincteroplasty and choledochoduodenostomy, 476
- Boerhaave's syndrome, the importance of early diagnosis and treatment, 401
- Bovine shunts, femoral arteriovenous, lower extremity ischemia after, 42
- Bowel, gangrenous, problem, a current appraisal, 653
- Burn morbidity, a followup study of physical and psychological disability, 34
- Burn patients, hypermetabolic, insulin response to glucose in, 314
- Bypass grafting, circumflex coronary artery, via transverse sinus, 691

### C

- Cancer, breast, estrogen receptor and natural course of, 84
  - presenting as an axillary mass, 415
- Carbohydrate metabolism, hepatic, in the endotoxin-shocked monkey, glucocorticoid effect on, 345
- Carcinoembryonic antigen (CEA) as a prognostic and monitoring test in clinically complete resection of colorectal carcinoma, 5
- Carcinoma, colorectal, carcinoembryonic antigen (CEA) as a prognostic and monitoring test in clinically complete resection of, 5
  - of the ampulla of Vater, review of 38 cases with emphasis on treatment and prognostic factors, 341
  - of the appendix, primary, 53
  - of the colon and rectum, the surgical treatment of, an index of quality and sociologic and geographic distribution, 550
  - of the esophagus, unified approach to, 511
  - of the sigmoid, rectosigmoid and rectum, the curative treatment of, 556
- Cardiac catheterization, long-term results of brachial thrombectomy following, 436
- Cardiac output measurement by thermal dilution, reproducibility and comparison with the dye-dilution technique, 67

- Cardiac wounds, penetrating, a comparison of different therapeutic methods, 377
- Cardiomyopathy, peripartum, extended use of intra-aortic balloon pumping in, 1
- Choledochoduodenoplasty and sphincteroplasty for benign biliary obstruction, 476
- Colitis, acute, in the renal allograft recipient, 77
- Colon, interposed, as an esophageal substitute, functional evaluation of the, 93  
and rectum, the surgical treatment of carcinoma of the, an index of quality and sociologic and geographic distribution, 550
- Colonoscopy, treatment of volvulus of the colon by, 263
- Coma, hepatic, L-dopa in, 386
- Congenital bands, renovascular hypertension from renal artery compression of, 161
- Congestive failure, high-output, from femoral arteriovenous shunts for vascular access, 321
- Coronary artery, bypass grafting, circumflex, via transverse sinus, 691
- Corticosteroid treatment of experimental smoke inhalation, 46

## D

- Diaphragm pacing in quadriplegia, long-term ventilatory support by, 566
- Duodenal diversion, total, for treatment of reflux esophagitis uncontrolled by repeated antireflux procedures, 636
- Duodenal ulcer, basal and meat extract plasma gastrin before and after parietal cell vagotomy and selective gastric vagotomy with drainage in patients with, 167

## E

- Endocarditis, bacterial, the surgical management of, a review, 289
- Endocrine therapy, levo dopa test and estrogen receptor assay in prognosticating responses of patients with advanced cancer of the breast to, 392
- Esophageal substitute, functional evaluation of the interposed colon as an, 93
- Esophagitis, reflux, fundoplication for, misadventures with the operation of choice, 645  
total duodenal diversion for treatment of, uncontrolled by repeated antireflux procedures, 636
- Esophagus, carcinoma of the, unified approach to, 511

## F

- Fistula, graft enteric, the anagment of infected abdominal aortic grafts and, 397
- Fundoplication for reflux esophagitis, misadventures with the operation of choice, 645

## G

- Gastric antrum, the role of, parasympathetic innervation and pancreatic secretion, 247
- Gastric secretion, the effect on gastrin and, of five current operations for duodenal ulcer, 599
- Gastric secretory function, studies on the effect of small bowel bypass for massive obesity on, 259
- Gastrin, and gastric secretion, the effect of, of five current operations for duodenal ulcer, 599
- Glucocorticoid effect on hepatic carbohydrate metabolism in the endotoxin-shocked monkey, 345
- Glucose, insulin response to, in hypermetabolic burn patients, 314
- Grafts, infected abdominal aortic, the management of, and graft-enteric fistula, 397

## H

- Heart, myxoma of the, clinical and experimental observations, 470
- Hemangiomas, treatment of, with special reference to the role of steroid therapy, 517
- Hematuria and rectal bleeding in the child with Klippel and Trenaunay syndrome, 418
- Hemodialysis, chronic, modified bovine heterograft in vascular access for, 62
- Hemorrhage, gastrointestinal, from adhesion-related mesenteric varices, 24  
influence of, on adrenal secretion, blood glucose and serum insulin in the awake pig, 185
- Hepatic duct strictures, hilar, long term transhepatic intubation for, 488
- Hernia, hiatal, complications of vagotomy in the treatment of, 629
- Heterograft, modified bovine, in vascular access for chronic hemodialysis, 62
- H graft, mesocaval, using autogeneous vein graft, 114
- Hypertension, renovascular, from renal artery compression by congenital bands, 161

## I

- Ischemia, lower extremity, after femoral arteriovenous bovine shunts, 42
- Intestinal anastomoses in neonatal surgery, 276
- Intra-aortic balloon pumping in peripartum cardiomyopathy, extended use of, 1
- Intubation, transhepatic, long term, for hilar hepatic duct strictures, 488

## K

- Klippel and Trenaunay syndrome, hematuria and rectal bleeding in the child with, 418

## L

- L-dopa in hepatic coma, 386  
Levo dopa test and estrogen receptor assay in prognosticating responses of patients with advanced cancer of the breast to endocrine therapy, 392  
Limb function, effects of femoropopliteal vein graft failure on, 38  
Liver wounds, the healing of, 679

## M

- Mechanical circulatory assistance with intra-aortic balloon counterpulsation for major abdominal surgery, 73  
Meckel's diverticulum, 30  
Melanoma, malignant, in the American Black, 533  
Mesenteric varices, gastrointestinal hemorrhage from adhesion-related, 24  
Microaggregate formation in stored human packed cells, comparison with formation in stored whole blood and a method for their removal, 109  
Myocardial blood flow measured by hydrogen polarography, distribution of, 282  
Myxoma of the heart, clinical and experimental observations, 470

## N

- Neonatal surgery, intestinal anastomoses in, 276

## O

- Occlusive disease, end stage arterial, lumbar sympathectomy in, 157  
of the lower extremities, tibial and peroneal bypass in, 710  
Organ of Zuckerkandl, functional tumors of, 578  
Oxygen transport, the relationship between muscle surface pH and, 193  
Oxyhemoglobin affinity, the influence of, on tissue oxygen consumption, 130

## P

- Pancreas, a probable cause of mass in the, attempted retrograde cannulation of the ampulla, 107  
Pancreatitis, acute, a prospective study to determine the efficacy on antibiotics in, 667  
Parathyroid surgery, the anastomotic basis of, 271  
Parathyroid tumors, mediastinal, diagnosis and surgical treatment of, 139  
Parotid space tumors of non-salivary origin, 10  
Pheochromocytoma, present diagnosis and management, 587

- Plasma gastrin, basal and meat extract, before and after parietal cell vagotomy and selective gastric vagotomy with drainage in patients with duodenal ulcer, 167  
Plasma renin activity in coarctation of the aorta, studies of, 229  
Pneumonia, aspiration, experimental evaluation of albumin and steroid therapy, 179  
pneumocystis, the importance of early open lung biopsy, 301  
Polarography, hydrogen, distribution of myocardial blood flow measured by, 282  
Portal diversion for portal hypertension in early childhood, 439  
editorial, 447  
Pulmonary insufficiency, effect of alpha and beta adrenergic blockade on epinephrine induced, 369

## R

- Rectosigmoid, the curative treatment of carcinoma of the sigmoid, and rectum, 556  
Rectum, the curative treatment of carcinoma of the sigmoid, rectosigmoid and, 556  
the surgical treatment of carcinoma of the colon and, an index of quality and sociologic and geographic distribution, 550  
Renal transplantation, related living donor, retrospective analysis of 100 consecutive patients undergoing, 502  
Renal transplant patients, elective and emergency surgery, 266

## S

- Shunt, splenorenal, selective distal, the fate of esophageal varices following, 496  
Shunting, portosystemic, in patients with primary biliary cirrhosis, a good risk disease, 324  
Sigmoid, the curative treatment of carcinoma of the, rectosigmoid and rectum, 556  
Smoke inhalation, experimental, corticosteroid treatment of, 46  
Societies, surgeons and surgery, Presidential address, 449  
Sphincteroplasty and choledochoduodenoplasty for benign biliary obstructions, 476  
Splenectomy, incidental, a review of the literature and the New York hospital experience, 124  
Staphylococci in community-acquired infections, increased resistance to penicillin, 355  
Stenosis, renal artery, acute anuria secondary to, 293  
Strictures, hilar hepatic duct, long term transhepatic intubation for, 488  
Suture plication, the natural history of the perforated duodenal ulcer treated by, 382

Sympathectomy, lumbar, in end stage arterial occlusive disease, 157

## T

- Tetralogy of Fallot, selective operative treatment for, rationale and results, 685
- Thermal dilution, cardiac output measurement by, reproducibility and comparison with the dye-dilution technique, 67
- Thrombectomy, brachial, following cardiac catheterization, long-term results of, 436
- Thrombosis, postoperative deep vein, in the lower extremity amputee, a prospective study with Doppler ultrasound, 429
- Thyroid glands, fresh and cultured, survival and function after implantation, 146
- Thyroid masses, dominant, evaluation of, 463
- Tibial and peroneal bypass in severe occlusive disease of the lower extremity, 710
- Tissue oxygen consumption, the influence of oxygen-hemoglobin affinity on, 130
- Tumors, parotid space, of nonsalivary origin, 10

## U

- Ulcer, duodenal, a prospective study of parietal cell vagotomy and selective vagotomy antrectomy for treatment of, 619
- perforated, the natural history of the, treated by suture plication, 382
- the effects on gastrin and gastric secretion of five current operations for, 599
- vagotomy and drainage procedure for, 613

- Ulcer patients, peptic, predicted survival in, based on computer analysis of preoperative variables, 594
- Umbilical vein, modified human, successful arterial substitution with, 252

## V

- Vagotomy and drainage procedure for duodenal ulcer, 613
- complications of, in the treatment of hiatal hernia, 629
- parietal cell, and selective vagotomy-antrectomy for treatment of duodenal ulcer, a prospective study of, 619
- Varices, esophageal, following selective distal spleno-renal shunt, the fate of, 496
- Vasomotor tone, pedal, following aortofemoral reconstructions, a randomized study of concomitant lumbar sympathectomy, 136
- Vein graft, autogenous, meoscaval H graft using, 114
- histologic fate and endothelial changes in distended and nondistended, 205
- Vein graft failure, effects of femoropopliteal, on limb function, 38
- Vein ligation, major hepatic, necessitated by blunt abdominal trauma, 243
- Venous air embolism, evaluation of catheter placement in the treatment of, 58
- Venous interruption, the effect of acute popliteal, 365
- Ventilatory support, long term, by diaphragm pacing in quadriplegia, 566
- Volvulus of the colon, treatment by colonoscopy, 263

## Z

- Zinc deficiency, acute, a syndrome of, during total parenteral alimentation in man, 331

INDEX  
Vol. 183 JANUARY-JUNE 1976

# Annals of Surgery

A Monthly Review of Surgical Science and Practice

*Also the official publication of*  
THE AMERICAN SURGICAL ASSOCIATION  
THE SOUTHERN SURGICAL ASSOCIATION  
PHILADELPHIA ACADEMY OF SURGERY  
NEW YORK SURGICAL SOCIETY

## Subject Index to Volume 184 (July-December 1976)

### A

- AMP (adenosine monophosphate) cyclic, 107
- American revolution, oxygen, politics and, with a note on the bicentennial of phlogiston, 645
- American surgery, 1976, 245
- Ancrod, comparison of, and heparin as anticoagulants following endarterectomy in the dog, 223
- Aneurysm, abdominal aortic, an unusual complication of, aorto-left renal vein fistula, 31
- Aneurysma, anastomotic, following arterial grafting, a 10-year experience, 179
- Aneurysm, of the aorta, treated by wiring, case report of a 38 year survival, 742
- Angiography, isotope, technique, validation and value in the assessment of arterial reconstruction, 116
- Antacid, treatment of hemorrhagic gastritis by, 429
- Antibiotic prophylaxis, in gastric, biliary; and colonic surgery, 443
- Anticoagulants, comparison of ancrod and heparin following endarterectomy in the dog, 223
- Antrectomy, vagotomy, the effect of, or vagotomy pyloroplasty on the response of the antrum to meat extract in duodenal ulcer patients, 212
- Antrum, response to meat extract in duodenal ulcer patients, the effect of vagotomy antrectomy or vagotomy pyloroplasty on the response of the, 212
- Anus, carcinoma of the, 422
  - the role of surgery in primary syphilis of the, 65
- Aorta, aneurysm of the, treated by wiring, case report of a 38 year survival, 742
  - coarctation of the, a simple test to identify, 615
  - rupture of the, acute traumatic, the treatment of, a 10-year experience, 308
- Aortic valve prosthesis, sutureless, experience with and technical considerations for replacement of the early model, 174
- Arterial oxygenation, intraoperative, in obese patients, 35
- Arterial reconstruction, isotope angiography, technique, validation and value in the assessment of, 116
- Arteriovenous fistula, use for treatment of the severely ischemic extremity, 622
- Arteriovenous shunts, femoral, bovine, hemodynamic consequences of, 103
- Artery erosion, tracheo-innominate, surgical management of a devastating complication, 194
  - hepatic flow, improvement after portacaval shunt, a single hemodynamic clinical correlate, 289

- Ascites, further experience with peritoneo-venous shunt for, 574
  - pancreatic, and pleural effusions, internal pancreatic fistulas, 587

### B

- Bacterial endocarditis, acute, 618
- Biliary drainage, in orthotopic liver transplantation, a new technique utilizing the gall bladder as a pedicle graft conduit between the donor and recipient common bile ducts, 605
- Blood gas, and carotid pressure, factors in stroke risk, 727
- Breast, cancer, operable, immunobiology of, an assessment of biologic risk by immunoparameters, 258
  - carcinoma, inflammatory, a correlation of clinical, radiologic and pathologic findings, 217
  - cyst, carcinoma arising in the wall of a, during pregnancy, 723
  - which to biopsy, an expanding dilemma, 253
- Bronchial stump closure, techniques following pneumonectomy, a serial comparative study, 205

### C

- Calyceal-cutaneous fistular, in renal transplant patients, 679
- Canine exocrine pancreas, effect of irradiation on, 610
- Cancer, breast, immunobiology of operable, an assessment of biologic risk by immunoparameters, 258
- Carcinoma, anaplastic, and pancreatic lymphoma, problems in differentiating between, and their management, 705
  - of the anus, 422
  - during pregnancy, breast wall cyst, arising in the, 723
  - inflammatory, of the breast, a correlation of clinical, radiologic and pathologic findings, 217
  - of the junction of the main hepatic ducts, surgical management of, 68
  - thyroid, changing clinical, pathologic, therapeutic, and survival patterns in differentiated, 541
- Carcinoembryonic Antigen (CEA), obstructive colorectal cancer, assays in, 756
- Cardiac function, and metabolism, following hemorrhage, in the newborn lamb, 747

- Carotid endarterectomy, heparin impregnated silicone shunts for, clinical and laboratory experience with, 637  
pressure, blood gas and, factors in stroke risk, 727  
Chenodeoxycholic acid induced liver injury in pregnant and neonatal baboons, 490  
Cholecystitis, acute, as a postoperative complication, 162  
Cholelithiasis, gallbladder morphology and function in patients with, abnormalities in, 415  
Colon, evaluation of "instant" preparation with povidone-iodine, 74  
toxic dilation of the, surgical management of, a report of 28 cases and review of the literature, 682  
Common bile duct, anomalous terminations of, into the duodenum, a clinical and anatomical study, 626  
Consumptive opsoninopathy; possible pathogenesis in lethal and opportunistic infection, 672  
Contamination, bacterial, of instruments during surgery, the effect that time, touch and environment have upon, 642  
Craniofacial surgery, present and future, 558

## D

- Diarrheagenic syndromes, endocrine, prostaglandins E and F in, 516  
Diverticulitis, acute, surgical treatment by staged procedures, 582  
asymptomatic sigmoid, pyogenic liver abscess secondary to, 241  
Duodenum, acid perfusion of, release of immunoreactive serotonin following, 633  
anomalous terminations of the common bile duct into, a clinical and anatomical study, 626

## E

- Edema, pulmonary, the influence of clinically undetectable, on small airway closure in the dog, 183  
Endarterectomy, carotid, 1  
in the dog, comparison of anicrod and heparin as anticoagulants following, 223  
Endocarditis, fibrous, the surgical treatment of constrictive, 303

## F

- Fat emulsion for intravenous administration, clinical experience with intralipid® 10%, 80  
Females, pre-menopausal, surgical castration in the palliation of breast cancer in, the evolution of the concept, of the use of, 713

- Fistula, aorto-left renal vein, an unusual complication of abdominal aortic aneurysm, 31  
gastrocolic, in benign peptic ulcer disease, 236  
internal pancreatic, pancreatic ascites and pleural effusions, 587  
calyceal-cutaneous, in renal transplant patients, 679  
Foreword to the Bicentennial issue (November), 535

## G

- Gall bladder, as a pedicle graft conduit between the donor and recipient common bile ducts, a new technique for biliary drainage in orthotopic liver transplantation utilizing, 605  
morphology and function, abnormalities in patients with cholelithiasis, 415  
Gastrectomy, delayed gastric emptying following, 689  
Gastric emptying, delayed, following gastrectomy, 689  
Gastric inhibitory polypeptide (GIP), suppression of gastrin release and gastric secretion by vasoactive intestinal polypeptide and, 97  
Gastric secretion, suppression of gastrin release and, by gastric inhibitory polypeptide (GIP) and vasoactive intestinal polypeptide (VIP), 97  
Gastrin release, suppression of, and gastric secretion by gastric inhibitory polypeptide (GIP) and vasoactive intestinal polypeptide (VIP), 97  
Gastritis, hemorrhagic, treatment by antacid, 429  
Graft adherence to de-epithelialized surfaces, a comparative study, 594  
Grafting, arterial, anastomitic aneurysms following, a 10-year experience, 179

## H

- Hemorrhagic shock, in rabbits interstitial fluid and muscle water, changes in the, 732  
Heparin, comparison of anicrod and, as anticoagulants following endarterectomy in the dog, 223  
Hepatic ducts, main, surgical management of carcinoma of the junction of, 68  
Hepatic encephalopathy, and light and electron micrographic changes of the baboon liver after portal diversion, 155  
Hepatorenal syndrome, acute, following splenorenal shunt, survival from, 22  
Humoral responsiveness in severe thermal injury, kinetics of, 51  
Hyperalimentation, intravenous, effect on established delayed hypersensitivity in the cancer patient, 60  
Hypersensitivity, in the cancer patient, effect of intravenous hyperalimentation on established delayed, 60

## I

- Immunobiology of operable breast cancer, an assessment of biologic risk by immunoparameters, 258  
Interstitial fluid, change in the, and the muscle water, in rabbits in hemorrhagic shock, 732  
Intralipid® 10%, clinical experience with, fat emulsion for intravenous administration, 80  
Intravascular coagulation, disseminated, effect of hemorrhagic shock on, 43  
Irradiation, effect on the canine exocrine pancreas, 610

## J

- Jaundiced infant, identification of the, who is likely to recover with surgical intervention, 89

## L

- Lamb, newborn, cardiac function and metabolism, following hemorrhage in the, 747  
Leiomyosarcoma of the inferior vena cava, report of a case and review of the literature, 169  
Limb salvage from a multi-disciplinary treatment approach for skeletal and soft tissue sarcomas of the extremity, 268  
Liquid nitrogen in dimethyl sulfoxide, vein grafts preserved in, long term patency of, 709  
Liver abscess, pyogenic, secondary to asymptomatic sigmoid diverticulitis, 241  
Liver injury, chenodeoxycholic acid induced, in pregnant and neonatal baboons, 490  
Liver transplantation, orthotopic, a new technique for biliary drainage utilizing the gall bladder as a pedicle graft conduit between the donor and recipient common bile ducts, 605  
Lymph node metastases, in malignant melanoma, the accuracy of predicting, by clinical examination and microstaging, 537  
Lymphoceles, following renal transplantation, prevention of, 166

## M

- Manpower goals in American surgery, 125  
Meat extract, response of the antrum to, in duodenal ulcer patients, the effect of vagotomy antrastomy or vagotomy pyloroplasty on, 212  
Melanoma, malignant, the accuracy of predicting lymph node metastases in, by clinical examination and microstaging, 537  
Metabolism, cardiac function and, following hemorrhage in newborn lamb, 747  
Microcuplelline Collagen Hemostat (MCCH), and wound healing, 697

- Muscle water, changes in the interstitial fluid and the, in rabbits in hemorrhagic shock, 732  
Myasthenia gravis, the value of thymectomy in, a computer-assisted matched study, 453

## N

- Neoplasms, parotid, a report of 250 cases and review of the literature, 500

## O

- Obesity, morbid, comparison of Payne and Scott operations for, 507  
Obstructive colorectal cancer, carcinoembryonic Antigen (CEA) assays in, 756  
Opsoninopathy, consumptive, possible pathogenesis in lethal and opportunistic infection, 672

## P

- Palliation of breast cancer, use of surgical castration in the, in pre-menopausal females, the evolution of the concept of the use of, 713  
Pancreatectomy for chronic pancreatitis, 403  
Pancreatic lymphoma, problems of differentiating between, and anaplastic carcinoma, and their management, 705  
Pancreatitis, chronic, pancreatectomy for, 403  
Parietal cell vagotomy, current status of, 659  
Parotid neoplasms, a report of 250 cases and review of the literature, 500  
Patency, long term, of vein grafts preserved in liquid nitrogen in dimethyl sulfoxide, 709  
Pectus excavatum, operative correction of, an evolving perspective, 554  
Pelvis, surgical diseases of the, ultrasonography as an aid in the diagnosis and management of, special emphasis on the genitourinary system, 477  
Peritoneo-venous shunt for ascites, further experience with, 574  
Peritonitis, tuberculous, 43 years experience in diagnosis and treatment, 717  
Phentolamine administration, hemorrhagic necrosis of pheochromocytoma associated with, 26  
Pheochromocytoma, hemorrhagic necrosis of, associated with phentolamine administration, 26  
Pneumectomy, bronchial stump closure techniques following, a serial comparative study, 205  
Portal diversion, hepatic encephalopathy and light and electron micrographic changes in baboon liver after, 155  
Positive pressure breathing therapy, intermittent (IPPB<sup>II</sup> Rx) is it necessary in the surgical patient (editorial), 122

- Povidone-iodine, evaluation of "instant" preparation of the colon with, 74
- Pregnancy, carcinoma arising in wall of a breast cyst during, 723
- Pre-menopausal females, surgical castration in the palliation of breast cancer in, the evolution of the concept, of the use of, 713
- Prostaglandins E and F, in endocrine diarrheagenic syndromes, 516
- Prosthesis, aortic valve, sutureless, experience with and technical considerations for replacement of the early model, 174
- Pseudocysts, pancreatic, acute, incidence and implications, 738
- Pseudocysts, pancreatic; unresolved problems of, 16
- Pyloroplasty, vagotomy, the effect of vagotomy antrectomy or, on the response of the antrum to meat extract in duodenal ulcer patients, 212

## R

- Rectum, perforation and foreign bodies of the, report of 28 cases, 601
- Reflux, gastroesophageal, patterns in health and disease, 459
- Remote site infections, the epidemiology of 2056, and 1966 surgical wound infection, occurring in 1865 patients, a four year study, 762
- Renal transplantation, a 25-year experience, 565
- prevention of lymphoceles following, 166
- Renal transplant patients, calyceal-cutaneous fistulae in, 679
- Renal transplants, second, factors related to success or failure, 145

## S

- Sarcomas, skeletal and soft tissue, of the extremity, limb salvage from a multidisciplinary treatment approach for, 268
- Serotonin, immunoreactive, release of, following acid perfusion of the duodenum, 633
- Severely ischemic extremity, use of an arteriovenous fistula for treatment of, 622
- Shock, hemorrhagic, effect on disseminated intravascular coagulation, 43
- septic; steroids in the treatment of clinical, 333
- Shunts, femoral arteriovenous bovine, hemodynamic consequences of, 103
- portacaval, hepatic artery flow improvement after, a single hemodynamic clinical correlate, 289
- portacaval and splenorenal, therapeutic; risks in, 279
- silicone, heparin impregnated, for carotid endarterectomy, clinical and laboratory experience with, 637

- Silicone shunts, heparin impregnated, for carotid endarterectomy, clinical and laboratory experience with, 637
- Splenorenal shunt, survival from acute hepatorenal syndrome following, 22
- Steroid(s) in the treatment of clinical septic shock, 333
- Surgery, gastric, biliary and colonic, antibiotic prophylaxis, 443
- instruments during, bacterial contamination of, the effect that time, touch and environment have upon, 642
- Surgical castration, in the palliation of breast cancer, in pre-menopausal females, the evolution of the concept, of the use, 713
- Surgical drape, plastic adhesive, evaluation of its efficacy as a microbial barrier, 46
- Surgical wound infection (1966), the epidemiology of 2056 remote site infections and, occurring in 1865 patients, 762
- Suture materials, surgical, physical properties, stress-strain relationship, stress-relaxation and irreversible elongation, 189
- Syphilis of the anus, primary, the role of surgery in, 65

## T

- Thermal injury, severe, kinetics of humoral responsiveness in, 51
- Thymectomy, in myasthenia gravis, the value of, a computer-assisted matched study, 453
- Thyroid carcinoma, differentiated, changing clinical, pathologic, therapeutic and survival patterns in, 541
- Tuberculous peritonitis, 43 years' experience in diagnosis and treatment, 717
- Tumor growth behavior, observations on the postoperative, of certain islet cell tumors, 525
- Tumors, islet cell, observations on the postoperative tumor growth behavior of certain, 525

## U

- Ulcer disease, peptic, gastroduodenal fistulae in benign, 236
- Ulcer, duodenal, patients, the effect of vagotomy antrectomy of vagotomy pyloroplasty on the response of the antrum to meat extract in, 212
- gastric, prognosis of, 25 year followup, 471
- Ultrasonography, as an aid in the diagnosis and management of surgical disease of the pelvis, special emphasis on the genitourinary system, 477

## V

- Vagotomy, parietal cell, current status of, 659
- proximal gastric, effects of two operative techniques in clinical and gastric secretory function, 435

Vasoactive intestinal polypeptide, (VIP), suppression of gastrin release and gastric secretion by gastric inhibitory polypeptide and, 97

Vein graft, peripheral saphenous, reduction of early occlusions in the high risk, 229  
preserved in liquid nitrogen in dimethyl sulfoxide, long term patency of, 709

Vena cave, inferior, leiomyosarcoma of the, report of a case and review of the literature, 169

#### W

Wiring, aneurysm of the aorta treated by, case report of a 38 year survival, 742

Wound Healing, and Microcrystalline Hemostat (MCCH), 697

Second-class postage paid at Philadelphia, Pa., and at additional mailing offices. Published monthly.

Subscriptions \$25.00 per United States. Resident Rate (U.S. only) \$19.00.

All other countries \$34.00. Single issue \$4.00. All prices include postage.
